Ideal transparent protection.

**Ready to use**

- No cutting needed. The screen protector is precisely designed for HP Slate7 HD with full coverage of the 18 cm (7") diagonal screen, so essentials such as the webcam and microphone are available.

**Tough clarity**

- Thin and transparent, yet reliably tough with resistance against fingerprints, smudges and reflection, that doesn't affect screen brightness or touch sensitivity.

**Easy on. Easy off.**

- Apply with confidence using the micro-fiber cloth to clean the screen, then use the applicator card to aid in removing air bubbles and screen placement.
